STYLE, DESIGN

We were born and we live in the Motor Valley, in the heart of Emilia Romagna region. This heart beats also to grant a premium quality and a premium service level. Our made in Italy includes the fact that over 75% of Vimec suppliers work not far from Luzzara Headquarters.

EXPERIENCE

During our first 40 years we met thousands of customers and professionals and together we studied and built up a huge number of installations. + 20.000 solutions designed, realized and installed worldwide.

INNOVATION, TECHNOLOGY

Our commitment is to ensure the best customer experience, and to do this we have redesigned all the controls together with our technology partners.

ECO-SUSTAINABILITY

Transparency and passion lead us to strengthen every effort to reduce our carbon footprint. We take care about our future and the future of our customers, and we are involved in contributing in maintaining planet Earth simply...the best place to live in.

ELEGANT, ESSENTIAL

DESIGNING YOUR HOME LIFT MEANS HIGHLIGHTING THE AESTHETIC VALUE OF YOUR HOME, IN FULL ACCORDANCE WITH SHAPES AND COLOURS.

vimec

Vimec was founded in 1980 near the river Po, between the provinces of Mantova and Reggio Emilia.

Over the years we have become leaders thanks to the values that guide us every day: people are our customers, whom we deal with passion, commitment and integrity, in order to ensure the best customer experience.

Vimec Homelift is the brand line dedicated to the home lifts. This brand is for private who are looking for comfort and elegance for their homes, with particular attention to Italian design, technology and eco-sustainability.
